Workshop 1

Friday 12th March 10-11.30am

The theme is Fantasy Art

This creative workshop will allow parents to develop their own art skills as well as learning new techniques. It may also aid parents' contribution to their child's creative studies.

This session will be using colour to create a Fantasy piece of artwork.

No previous art background needed

You will need a 2B or 4B pencil, paper, paint and brushes, or felt tips.

Workshop 2

Friday 19th March 10-11.30am

The theme is Water
You will be creating a landscape and some abstract art.

This creative course will allow parents to develop their own art skills as well as learning new techniques. It may also aid parents' contribution to their child's creative studies.

No previous art background needed.
You will need a 2B or 4B pencil, paper, watercolour or poster paint and brushes.
