Join our active multi-sports camp run by Withington PE teachers Mrs Lane and Mrs Flood. You will take part in a variety of sports such as netball, lacrosse, tennis, rounders and badminton, and new for this year you will have the opportunity to try football, gymnastics, basketball, ultimate

frisbee and circuit training. You will learn more about the essential skills of these sports, as well as taking part in group games, mini tournaments and other fun fitness activities.

All abilities are welcome!

Join us in the Art Studio to create exciting sculptures, paintings, drawings, textile artworks and unique crafts inspired by the television series Wild Isles. Listen to David Attenborough and learn about the fascinating creatures and landscapes of Britain while you produce wonderful artworks of birds, sea life, meadows and mountains, cute mammals and interesting insects! By the end of the three-day course, we will have produced a multitude of exciting 2D and 3D artworks for you to take home. We will proudly display these during a mini exhibition for friends and family on the final day of the programme.

A fun week of theatre, dance and singing centred around the theme of 'The Elements – Air, Fire, Water, Earth'.

Led by Withington's Mrs Guest and Mr Salter, you will take part in a variety of performing arts including script work, physical theatre, stage fighting, creative dance and choreography. Using ideas

from different styles you will learn to create your own dances and 'dance like no one is watching!'. As the week progresses you will explore creating music and developing sound worlds to accompany dramatic pieces, dance and puppeteering. At the end of the week, you will share your new skills in a short performance for family and friends.
