

Eco-Schools Action Plan

Ravensbury Community Primary School

Date Action Plan was developed: 12.12.2016

Action Plan developed by: Ms. Foord, Mrs. Caine and the Eco-team

Topic	Action	Target / Measure	Timescale / Deadline	Responsibility	Evaluation of action / Actual result achieved
Litter / Waste	Buy portable bins for fruit waste collection at break time.	Fruit waste is seen less in the playground.	Spring 1 half term	Mrs. Caine, Clarissa and Denico	
Litter / Waste / Biodiversity	Create a compost area for left over fruit waste.	Compost is made which can be used in the garden.	Compost pile established by Summer 2	Stuart the gardener. Aminat and Rebekah	
Litter / Waste	Litter picking	Less visible litter in the playground	Spring 1 half term	Daim, Sabrina and Kayleigh	

Topic	Action	Target / Measure	Timescale / Deadline	Responsibility	Evaluation of action / Actual result achieved
Recycling	Poster competition Monitoring use of recycling bins Check for use of scrap paper drawers Assembly	Children more aware of the need to recycling. Paper bins only contain paper. Raised profile of recycling in school.	Spring focus	Whole eco-team	
Biodiversity	Increase use of the garden	Discussion with Stuart results in improvements to the garden.	Easter holidays	Nathan, Amin and Stuart	
Global perspective	Raise the profile through an assembly.	Children can talk about their impact on the environment.	Easter holidays	Whole Eco-team	
Energy	Monitor use of electricity when appliances are not in use. Assembly to raise the profile of energy use in school.	Lights, whiteboards and laptops are switched off when not in use.	Summer term focus.	Whole Eco-team
