How will the School spend Pupil Premium?

Schools have the freedom to spend the Premium in a way they think will best support the raising of attainment for the most vulnerable pupils. Schools will be required to report to parents how they have spent the money allocated.

It is important to remember that not all children who are allocated Pupil Premium will receive support at the same time.

How is Pupil Premium used to support pupils at Ravensbury Community School?

Pupil premium has enabled us to continue to provide high levels of additional support for per pupils including:

- Play Therapy for emotional wellbeing 1 days per week
- Speech and Language Therapy 1 day per week

- PSA supporting families
- Subsidise the Year 6 residential trip
- CPD for staff
- Enrichment events including transport, trips and visitors to the school
- 0.6 Additional Teacher to support in Upper Key Stage 2

This year the amount of Pupil Premium has reduced but we our plans are:

- Extend our pastoral support team
- Provide additional support for pupils with additional learning needs
- Employ a full time EAL Teacher
- Provide ICT software
- Employ consultants to enhance staff development and training
- Employ a Speech and Language Therapist 1 day per week
- Employ an Drama Therapist for the emotional wellbeing of the pupils

These are just some of the ways the funding is used at Ravensbury Community School and if you would like more information please come and ask.

The school will evaluate the impact on pupils at the end of each term. Evaluation will focus on academic gains and how pupils' self-confidence has developed as a consequence of the interventions they have received.

Thank you as always for your support.
