

Make it!

#MathsEveryoneCanAtHome

We love looking for patterns all around us. It's amazing how many patterns we can spot around the house, especially in our food!

Look at the patterns inside these objects. Can you describe the patterns? Make your own pattern in a circle or a spiral using different items e.g. buttons, pebbles, leaves etc.

Can you draw or photograph the pattern you have made?

Don't forget to share your photos and drawings!
