

Meet Miss Heritage

I love to investigate and explore, especially in the outdoor area. There's nothing better than getting a bit messy!

I really enjoy working at Ravensbury and have worked here for just over 3 years!

Playing games is great, especially in maths where we can count, sort, explore, compare and become problem solvers!

I love helping children learn in fun and exciting ways. I enjoy being creative and like to encourage children to share their ideas with each other.

I really enjoy sharing stories with children and have lots of favourite books. Singing nursery rhymes and songs is also so much fun too!
