

Art Challenge Number 14
Sir Quentin Blake

Hi everyone,

I hope that you have found the art challenges fun and inspiring. I would like to say a BIG goodbye to all the Y6 children. I hope you have enjoyed art lessons and will continue to enjoy making art in the future.

For your final challenge, look at the illustrations by Sir Quentin Blake. He drew the rainbow pictures to help raise awareness of the NHS. You will have seen LOTS of rainbows in people's windows. Your task over the holidays is to draw lots of pictures in the style of Quentin Blake. You can start by copying some of the pictures I have attached and then have a go at drawing your family and friends in the same style.

Over the holidays, be good, be kind and enjoy your drawing. Have fun, Mrs McAffer.

Art Challenge Number 14:

You will need:

Pencil

Black felt tip

Small paintbrush is optional.

Instructions:

1. Look at the illustrations. What kind of lines does Quentin Blake use?
2. Choose some pictures you like and have a go drawing them in pen or pencil.
3. When you have drawn some in pencil, have a go at wiping some of the lines with a wet paintbrush. Notice how it smudges the line to create grey. (slides 6-8)
4. If you have coloured felt tips, you can try smudging them with water, or try watercolour paints. Experiment.
5. Now design some of your own characters. They could be family or friends. You could even draw yourself!
6. You may want to draw a rainbow picture too. What will the rainbow be in your picture?
7. Over the holidays, draw lots and lots and you could put all your sketches in your own homemade sketchbook.
