Thank you to all of our parents and carers for the support they have given to their children over this half term. We know it hasn't been easy but you are all doing a great job. Don't forget to have a look on the school website, twitter and Facebook pages to see all the amazing learning our children have been doing.

Congratulations and a huge well done to everyone. We are so proud of all of you for the dedication and perseverance you have shown towards learning during lockdown.

World Book Day

All children will receive a complimentary £1.00 gift token. They can swap it for one of the TWELVE World Book Day books or they can use the book token to get £1 off any full price book instead. We are still intending to celebrate in true Ravensbury style by asking the children to dress up as their favourite book character (whether they are at home or in school).

Parents evening will be in the week beginning 22nd March

Parents' evenings are important events which allow parents and carers to discuss their child's strengths and areas for development, share concerns, and take an active part in their education. We will only be able to run virtual parents evening at this time, so they will be taking place over the phone

School closes for half term on Friday 12th February and will reopen on Tuesday 23rd February, for children who are currently in school. School will remain closed to most pupils until at least the 8th March. This will be reviewed by the government nearer the time.

These continue to be strange and uncertain times for all of us but remember we are always here for all of our families. Staff will not be uploading any work for children to complete over half term so take a well-earned rest over the holiday and we'll be back refreshed and ready to learn after half term.

Take care and stay safe Mrs Hughes

A poem especially written for all of our families by Miss Fish

A Poem For You All

So we're here at last,
We've finally got there.
It's been a challenging half term
Of that we're aware.

You've uploaded and downloaded,
Googled and streamed
You've backed-up and backed down,
Done things you never dreamed.

Remember when a 'cloud',
Was a fluffy thing in the sky,
And 'storage' was from Ikea,
"Oh, there goes the Wi-Fi?"

What's 'remote' about this learning
You're always on call.
How do you explain a logarithm,
How dya build a Word Wall?

But you've managed all this,
And much, much more,
Your home still intact,
We watched you soar.

You've juggled, day to day,
Life, work and school,
Some days were tough,
But you persevered on through.

So it's time to give yourself,
A huge pat on the back,
You've achieved something amazing
Admit it, you've got the knack.

We just want to say,
How proud we all are,
Of all of your efforts
You've hit way above par.

So take a break just for YOU,
And all those you care about,
Sit back, have a brew and relax,
And take some well earned time out.

From all at Ravensbury
