

Our free online Family Learning courses are starting after half term

**Are you struggling to help your children with their homeschooling?
We can help you to support your children during this, the third lockdown!**

Join our **FREE** online courses which will help you to support **your** child's work at school. The courses will also:

- Give parents the **tools to help children** with their homework
- Support **your family's wellbeing**
- **Build your confidence** – in the family and in your community
- Provide a **supportive network** of other parents and carers
- Support your **children's emotional needs**

These are the courses we offer

- Parenting
- Confidence Building
- Stress Management for Parents
- Family Maths
- Key Stage 3 Maths
- Family Phonics
- Family Crafts
- Family Science
- Family Wellbeing
- Creative History
- Share a Story
- Outdoor Adventures

Please go to our website to sign up for a course (or type this into your web browser): <https://bit.ly/joinFamilyLearning>
